

28-14 Driver Development

The following checklist represents criteria required to become a stamped driver on 28-14.

Criteria	Completion Date
21 years of age or older to start process	
West Mead #1 Standard Operating Guidelines Signed	
West Mead #1 Emergency Vehicle Response Guidelines Signed	
Identify and operate all controls and equipment	
Emergency Vehicle Operators Course (16 hour class)	
West Mead #1 behind the wheel training (2-4 hours, can be completed on several occasions)	
Attend Training Sessions and Equipment Checks	
Behind the wheel road assessment with Chief and 1 other officer	
Completion of all of the above is required to drive 28-14 without a trailer. The fire officers will determine members capable of trailer towing on a case by case basis after the completion of the driver development program.	

*Driver candidates are responsible for printing off and maintaining this log sheet, the fire chief or assistant chief will sign off as steps have been met. Visit the training portal on our website to download this checklist.
